GWADW 2011 - Gravitational Waves Advanced Detectors Workshop - Progress Towards the Next Generation of Gravitational Wave Detectors

Monday, 23 May 2011

Light Sources - Maria Luisa Hall (18:15 - 19:30)

time	[id] title	presenter
18:15	[16] The High Power Light Source for LCGT	Dr OHMAE, Noriaki
18:40	[17] High Power Lasers for Third Generation Gravitational Wave Detectors	Dr WESSELS, Peter
19:05	[18] Laser Sources for LTP and LISA	Dr TROEBS, Michael
