# ANSiP-2011 </br> Advanced School and Workshop on Nuclear Physics Signal Processing 

## Wednesday, 23 November 2011

**Data Reduction and Trigger Strategies; Case Study in Nuclear Physics: Gamma Ray Detectors (14:30 - 17:20)**

| time | [id] title | presenter |
|---|---|---|
| 14:30 | [49] The AGATA Demonstrator Array at LNL | FARNEA, E. |
| 15:10 | [50] System design for nuclear structure experiments: online data reduction and distributed systems | SIMON, H. |
| 15:50 | Coffee Break | |
| 16:10 | [51] Triggering Philosophies for Large Nuclear Physics Experiments | LAZARUS, I. |
| 16:55 | [52] Off-line event building | BABA, H. |
