

ASY-EOS 2012. International Workshop on Nuclear Symmetry Energy and  
Reaction Mechanisms

Contribution ID: 21

Type: **not specified**

**A new approach to detect hypernucleii and isotopes  
in the QMD phase space distribution at relativistic  
energies**

*Wednesday, 5 September 2012 12:30 (20 minutes)*

**Primary author:** LE FEVRE, A.

**Presenter:** LE FEVRE, A.

**Session Classification:** Nuclear Symmetry Energy and Reaction Mechanisms III
