

# Fundamental Problems in Quantum Physics

## Thursday, 26 March 2015

### Quantum gravity (09:30 - 13:00)

| time  | [id] title  | presenter        |
|-------|---|------------------|
| 09:30 | [20] String Theory and Quantum Gravity                                  | ALDAY, Luis      |
| 10:15 | [21] The AdS/CFT duality  | BISSI, Agnese    |
| 11:00 | Coffee Break  |                  |
| 11:30 | [22] Lessons for Quantum Foundations from Quantum Gravity               | DOWKER, Fay      |
| 12:15 | [23] Cosmological and Dynamical Aspects of Quantum Gravity with Torsion | MAVROMATOS, Nick |
