Accommodation and shuttle service

The hotels Antica Colonia, Cacciani and Villa Mercede, located in Frascati, will provide a shuttle service according to the conference agenda. The departures from these hotels are planned at 8:00 am. Participants accommodated in Rome may reach the LNF by train from Rome Termini to Tor Vergata (see below).

Travel and access to LNF

Participants traveling by plane may reach the Frascati Laboratories by **train** or by **taxi**, from the airports of Fiumicino and Ciampino. There are two railway stations in Frascati: one in Frascati downtown (FM4 line) and one close to the LNF (Tor Vergata, FM6 line).

More information can be found here: <http://w3.lnf.infn.it/how-to-get-here/?lang=en>

The access is guaranteed to all the registered participants. The participant list will be available for the guards at the **main entrance** (close to building 34) and at the **secondary entrance** (this entrance is very close to the Tor Vergata railway station and to the Auditorium, but will be accessible only in certain hours, see next paragraph).

For people traveling by train from Roma Termini central railway station:

Use trains (FM6 line) directed to the "Tor Vergata" station: catch the train with final destination "Frosinone" or "Cassino" and get off at the "Tor Vergata" station (check the timetables because not all the trains with final destination "Frosinone" or "Cassino" stop at the Tor Vergata station). Ticket is 1.50 EUR per ride. It can be purchased at many vending machines and in many kiosks at Termini station as well as online from the TrenItalia website <http://www.trenitalia.com/>.

Trains directed to Frascati (FM4 line), instead, stop in Frascati downtown (Ticket is 2.10 EUR per ride).

We suggest the following rides:

- h. 7: 42 -> h. 8:01 (Regionale n. 7531, get off at the second stop)
- h. 8: 00 -> h. 8:15 (Regionale Veloce n. 7533, get off at the first stop)
