

# NUMEN2015

## Wednesday, 2 December 2015

### Session #4 - Main Conference Room (09:30 - 10:50)

-Conveners: Chiara Brofferio

time	[id] title	presenter
09:30	[10] Status and perspectives of neutrinoless double-beta decay experiments	Prof. ZUBER, Kai
10:10	[11] Nuclear matrix elements for double beta decay from nuclear reactions and electron capture: present status and perspectives	Prof. FREKERS, Dieter
