Discussion D5: dissemination of result and/or next workshop

Tuesday, 15 March 2016 16:50 (30 minutes)

Future publication of the conference results can be discussed, as well as ideas for new workshop themes in the Accelerator Application Network of the EUCARD2 project, and general questions.

Closing remarks will follow.

Minutes prepared by convener(s) may be posted on the website, as well as short presentations (3 slide max) received for the discussion.

Session Classification: Afternoon session (Chair: M. Cavenago)
