

# QCD@Work - International Workshop on QCD - Theory and Experiment

## Wednesday, 23 June 2010

### Session 12 (09:00 - 11:00)

-Conveners: Dmitri Melikhov

time	[id] title	presenter
09:00	[43] The strong coupling constants of light mesons with hadrons in QCD	ALIEV, Tahmasib
09:30	[44] Lessons on the dynamics of heavy-light mesons from the static limit of QCD	BECIREVIC, Damir
10:00	[45] Recent results on charm and charmonium from BaBar	PALANO, Antimo
10:30	[46] Surprises on the X(3872)	POLOSA, Antonio Davide
