

**Session Program**

**20-23 Jun 2010**

**QCD@Work - International Workshop on QCD -  
Theory and Experiment**

***Session 3***

Martina Franca - Valle d'Itria

# Sunday 20 June

15:00

## Session 3

**Session** | **Location:** Martina Franca - Valle d'Itria | **Convener:** Mark Alford

15:00–15:20 **ATLAS measurements of minimum bias and soft QCD**

**Speaker**

Maaïke Limper

15:20–15:40 **Observation of high-pT jet production in pp at  $\sqrt{s} = 7$  TeV**

**Speaker**

Stephanie Majewski

15:40–16:00 **Synchrotron radiation in strongly coupled conformal field theories**

**Speaker**

Dominik Nickel

16:30
