

# Vulcano Workshop 2016 - Frontier Objects in Astrophysics and Particle Physics

## Monday, 23 May 2016

**Gravity - Therasia Resort, Conference Room (17:00 - 18:40)**

-Conveners: Salvatore Capozziello

time	[id] title	presenter
17:00	[61] Experimental gravity tests in the solar system	MARTINI, Manuele
17:25	[62] Nonminimally coupled gravity and planetary motion	Dr MARCH, Riccardo
17:50	[63] Black holes: a window into strong (quantum?) gravity	CASADIO, Roberto
18:15	[64] Holographic theory of gravity and cosmology	Prof. NG, Y. Jack
