

Terzo Incontro Nazionale di Fisica Nucleare INFN2016

Wednesday, 16 November 2016

Presentazioni giovani ricercatori: Applicazioni della Fisica Nucleare - Aula Bruno Touschek (12:30 - 13:00)

time	[id] title	presenter
12:30	[9] New Scintillator detectors for nuclear physics experiments	Dr GIAZ, Agnese
12:45	[45] Cross section measurements of proton-induced nuclear reactions for the production of interesting radionuclides for nuclear medicine: A collaboration between INFN-LNL and ARRONAX facility	Dr PUPILLO, Gaia
