

Working Group on Radiative Corrections and Generators for Low Energy  
Hadronic Cross Section and Luminosity

Contribution ID: 5

Type: not specified

**Final state radiative correction in  $\gamma^* \rightarrow \pi^+\pi^-$   
(n gamma)**

*Monday, 6 April 2009 17:30 (30 minutes)*

**Primary author:** XU/WAS

**Presenter:** XU/WAS

**Session Classification:** MC for R Measurements using ISR (2)
