

Working Group on Radiative Corrections and Generators for Low Energy Hadronic Cross Section and Luminosity

Monday, 6 April 2009

Luminosity - Aula Seminari (18:00 - 18:45)

time	[id] title	presenter
18:00	[6] Higher order QED radiative corrections to Bhabha scattering	ARBUZOV, Andrej
18:30	[18] Photon pair production in BabaYaga@NLO with per mille accuracy	MONTAGNA, Guido
