

**CYGNUS-TPC kick-off meeting: a mini-workshop on directional Dark Matter searches and coherent neutrino scattering**

Contribution ID: 12

Type: **not specified**

**Presentation of the CYGNUS-TPC project**

*Thursday, 7 April 2016 15:45 (25 minutes)*

**Presenter:** Prof. SPOONER, Neil (University of Sheffield)

**Session Classification:** Directional gaseous TPC detectors for very rare event detection
