

Radioguided Surgery and Particle Therapy a mini-workshop

Aula Conversi

Dip. Fisica Univ. di Roma "La Sapienza"

21 marzo 2016 , h 14:00

Programme

14:00 Interventional Molecular Imaging and Radioguided Surgery: current challenges and future perspectives

-- R. Valdes Olmos, Leiden University Medical Center

14:45 A novel Radioguided Surgery technique with β^- decays

-- R. Faccini, Dip. Fisica Univ. "La Sapienza" and INFN Roma

15:30 Coffee Break

15:45 Dose profiling in Particle Therapy

-- V. Patera, Dip. SBAI Univ. "La Sapienza" and INFN Roma

16:15 Particle Therapy Treatment Plans on GPU

-- A. Schiavi, Dip. SBAI Univ. "La Sapienza" and INFN Roma
