

SciNeGHE 2016 High-energy gamma-ray experiments at the dawn of gravitational wave astronomy

Friday, 21 October 2016

The other messengers: Cosmic rays (11:25 - 15:00)

-Conveners: Ivan De Miriti

time	[id] title	presenter
11:25	[106] Cosmic Ray Physics: sources and fundamental physics	ALOISIO, Roberto
11:50	[108] Space-based cosmic ray experiments: results and perspectives	BERTUCCI, Bruna
12:15	[114] Ground-based cosmic ray experiments : results and perspectives	CASTELLINA, Antonella
12:40	[142] Scineghe Awards	SCRIBANO, Angelo
13:00	Lunch	
14:10	[85] Multimessenger connections: Crs, neutrinos, and Gws	LIPARI, Paolo
14:35	[133] Future cosmic ray detectors (ground and space)	VANNUCCINI, Elena
