

# SciNeGHE 2016 High-energy gamma-ray experiments at the dawn of gravitational wave astronomy

## Thursday, 20 October 2016

### Gamma-ray sources and connections with Gravitational Waves (14:30 - 16:05)

-Conveners: Francesco LONGO

time	[id] title	presenter
14:30	[71] GW stochastic background	CELLA, Giancarlo
14:55	[100] High and very-high energy gamma-ray observations of the Milky Way	Dr ORLANDO, Elena
15:20	[98] Gamma-ray catalogs and unidentified sources	Dr BALLEST, Jean
15:45	[14] Electromagnetic Cascades and Intergalactic Magnetic Fields	ALVES BATISTA, Rafael
