

SuperB Physics Workshop

Tuesday, 14 April 2009

WG5: Charm Mixing and CP Violation in D decays - Physics 520B (16:15 - 17:45)

time	[id] title	presenter
16:15	[71] The Charm of the Littlest Higgs with T-Parity - CP-Violation in D - anti-D Oscillations	Ms BLANKE, Monika
16:40	[70] Mixing and CPV in the D0 System - Current Situation and Prospects for Super B	Prof. MEADOWS, Brian
17:05	[76] T-odd correlations	ANTIMO PALANO
