

10 YEARS OF PAMELA

10 Years of PAMELA

Wednesday, 15 June 2016 - Wednesday, 15 June 2016

Villa Mondragone, Monte Porzio Catone

Scientific Programme

On June 15, 2016 an open celebration takes place: during the day there will be talks from institutions and space agencies, followed by science talks about PAMELA physics tasks like cosmic rays, dark matter, solar physics, legacy for the future;

This is the scientific programme of the day.

REGISTRATION AND BREAKFAST TOGETHER

9:30 – 10:00

GREETINGS TO THE COMMUNITY

10:00 – 10:10 (A. Di Ciaccio)

WIZARD and PAMELA heritage

10:10 – 10:40 (P. Picozza)

The Russian Italian program

10:40-11:10 (A. Galper)

PAMELA, 10 Years in space: some thoughts

11:10 – 11:25 (M. Simon)

Postcards from PAMELA

11:25 – 11:35 (R. Sparvoli)

Reports from ASI space agency

11:35 – 12:00 (B. Negri)

PAMELA science

12:00 – 12:45 (M. Boezio)

INFN and 2nd National Scientific Committee

14:00 – 14:30 (F. Ferroni)

PAMELA and cosmic rays

14:30 – 15:30 (I. Moskalenko)

PAMELA and dark matter

15:30 – 16:30 (T. Tait)

PAMELA and solar physics

17:00 – 18:00 (B. Heber)

PAMELA: open roads for the future

18:00 – 19:00 (F. Donato)
