Back-scattered light noise in Virgo second science run data

Tuesday, 26 January 2010 15:00 (15 minutes)

Primary authors: SWINKELS, Bas (European Gravitational Observatory); FIORI, Irene (European Gravitational Observatory)

Co-author: THE VIRGO COLLABORATION

Presenter: FIORI, Irene (European Gravitational Observatory)

Session Classification: Noise analysis methods, data characterization and instrumental artifacts (Part I)
