

# Detecting Signals into the Noise. In Memoriam: Franco Manfredi

## Monday, 5 December 2016

### Morning Session (11:05 - 12:40)

-Conveners: Lodovico Ratti

time	[id] title	presenter
11:05	[9] Franco Manfredi in the R&D and HEP Programs of INFN	VERCESI, Valerio Italo
11:30	[10] Radiation-Tolerant Front-End Electronics: from the AToM Chip to 65 nm CMOS	RE, Valerio
12:05	[11] Toward the Ultimate Low-Noise Front-End Electronics for X-y Ray Detectors: the Heritage of Franco Manfredi in Current Research	BERTUCCIO, Giuseppe
