

LNL USER COMMUNITY ANNUAL MEETING

Thursday, 13 October 2016 - Thursday, 13 October 2016

INFN Laboratori Nazionali di Legnaro

Programme

The LNL User Board announces the Annual LNL Users' Meeting in Sala Villi at LNL in the morning of Thursday 13th October.

A series of talks on key topics regarding the accelerator complexes, reminders of useful procedures and safety aspects for the users will be presented.

An open session to discuss the progress of ongoing programs at the laboratory, including technical, administrative and logistical issues will follow. Users are encouraged to participate and display their issues, requests, remarks.
