

MEDAMI 2017 - V MEDITERRANEAN FORUM ON ADVANCED MOLECULAR IMAGING

Wednesday, 31 May 2017

Session 1.3: Diagnostic Imaging, theranostics and the -omics (Moderators: Bernd Pichler, Jonathan Disselhorst) (14:30 - 16:15)

time	[id] title	presenter
14:30	[88] David Townsend (National University of Singapore) - PET/CT, PET/MR and Precision Medicine: some alternative facts	
15:05	[89] Bernd Pichler (Dept. of Pre-clinical imaging and Radiopharmacy University of Tuebingen) - Combining multiparametric imaging data with –omics information for precision medicine	
15:40	[90] Constantin Lapa (Nuclear Medicine, University of Wurzburg) - Theranostics and multimodality imaging
