

Perspectives in Astroparticle physics from High Energy Neutrinos

Contribution ID: 23

Type: **Talk (20'+5')**

UHECRs & Neutrinos

Monday, 25 September 2017 17:05 (25 minutes)

Presenter: Prof. ZAS, Enrique (IGFAE - University of Santiago)

Session Classification: Multimessenger physics & New physics at high-energy neutrino telescopes

Track Classification: Multimessenger physics
