

SM&FT 2017 - The XVII Workshop on Statistical Mechanics and  
nonperturbative Field Theory

Contribution ID: 81

Type: **not specified**

## The SFT scientific activity

*Friday, 15 December 2017 12:30 (20 minutes)*

I will briefly discuss the main research topics of the INFN research initiative SFT (Statistical Field Theory) with a particular attention to those involving HPC (mainly related to Lattice QCD)
