

SM&FT 2017 - The XVII Workshop on Statistical Mechanics and nonperturbative Field Theory

Wednesday, 13 December 2017

Session 4 (17:00 - 19:00)

-Conveners: Michele Pepe

time	[id] title	presenter
17:00	[76] Exact solution of the Polyakov loop models in the large-N limit	BORISENKO, Oleg
17:20	[72] Non-perturbative Renormalization and Running of quark masses in $N_f=3$ QCD	PRETI, David
17:40	[85] Testing a non-perturbative mechanism for elementary fermion mass generation	GAROFALO, Marco
18:00	[78] Morphology and flow patterns in active emulsions	Mr CARENZA, Livio Nicola
