

LUISS ENLABS THE STARTUP FACTORY

THE STRUCTURE OF THE GROUP

Venture Capital, Accelerator, University

LVenture Group*
CAPITAL FOR GROWTH

THE OPERATOR OF VENTURE CAPITAL

LVenture Group S.p.A. is one of the main venture capital firms in Europe, the first and only one to be listed in the MTA of the Borsa Italiana. Since 2013 it has invested in digital startups with high potential (from 80.000€ to 250.000€) and “accelerates” their growth through the program directed by their owned firm LUISS ENLABS

100%

 **LUISS EnLabs***
THE STARTUP FACTORY

THE ACCELERATOR OF STARTUPS

LUISS ENLABS is an accelerator of startups born from the *joint venture* of LVenture Group S.p.A. and the university LUISS Guido Carli. Through its accelerator program it transforms highly innovative entrepreneurial projects into successful firms.

THE ACCELERATION PROGRAM

From a Minimum Viable Product (prototype) to the market in 5 months

DEVELOPMENT OF THE PRODUCT

The first months of the program are dedicated to the development of the product at the technical level, of UX and UI

DEVELOPMENT OF SALES

The last month of the program is dedicated to sales and to the development of partnerships in the B2B B2B2C optic.

SELECTION DAY

The best projects found during the *call for application* are evaluated by the Board of Advisors (50+ members.)

SETTING THE BUSINESS MODEL

Through a purely data driven approach the business model is set.

INVESTOR DAY

The startups that successfully pass the program present their obtained results and growth perspectives to investors.

2 MONTHS

1 MONTH

FINAL EVENT

THE OBJECTIVES OF THE PROGRAM

The startups that complete the program with success reach the following objectives.

01

BUSINESS MODEL

Definition and validation of a business model that can be quickly repeated on a vast scale and at an international level.

02

PROFIT

The profit, even if minimal is proof of the utility of the product and of the validity of the business model.

03

FUNDRAISING

Concluding a *seed round* (€250.000 – €500.000) to sustain growth and expansion of the startup post program.

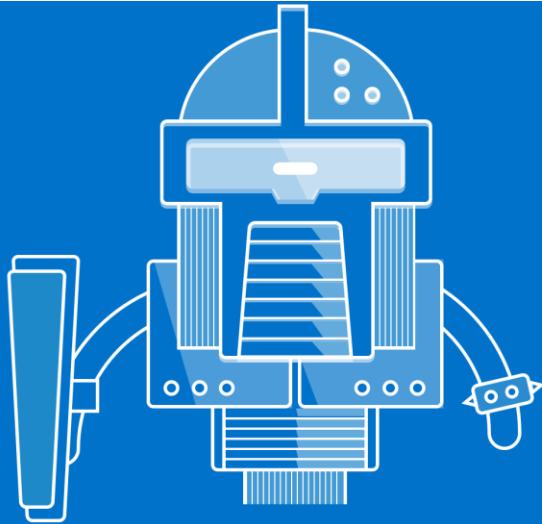

SUCCESS RATE

92%

Accelerated startups able to close seed-round
(200k -400k) a few months after
the Investor Day

SECURITY CHALLENGE

MAKE THE WORLD A SAFER PLACE

Security Challenge

Security Challenge is a unique startup program aimed at building cybersecurity companies even from scratch. The program is run by LUISS ENLABS and launched by Cisco Systems, LVenture Group, Infocert and NTT DATA. Our mission is to build and accelerate the development of high potential startup ideas in order to solve the world's biggest cybersecurity challenges.

ANDROID FACTORY

The image shows a screenshot of the Android Factory 4.0 website. At the top, there is a navigation bar with three logos: LVenture Group* (with the tagline 'CAPITAL FOR GROWTH'), LUISS EnLabs* (with the tagline 'THE STARTUP FACTORY'), and Google. Below the logos is a horizontal menu with the following items: IL PERCORSO, PARTECIPANTI, COME FUNZIONA, COSA CERCHIAMO, LASCIATI ISPIRARE, and ROADSHOW. The main content area features the title 'ANDROID FACTORY 4.0' in large, bold, black letters, followed by the subtitle 'Trasforma la tua idea in startup con Android!' in a smaller font. Below the text is a prominent yellow button with the text 'CANDIDATI ORA'. At the bottom of the page, there is a stylized illustration of the Android robot's head and arms, rendered in green with white circuit-like patterns.
