

Session Program

Sep 4 - 7, 2017

**Recent developments in neutrino physics and
astrophysics**

Session II

LNGS and GSSI (Assergi and L'Aquila, Italy)

Mon, September 4

2:45 PM

Session II

Session | **Location:** LNGS, Fermi Hall | **Convener:** Jim Whitmore (NSF, USA)

2:45 - 3:25 PM **Gravitational waves: observation and prospects**

Speaker

Laura Cadonati

3:25 - 3:30 PM **Discussion**

3:30 - 4:00 PM **Solar models and neutrinos: the standard model and beyond**

Speaker

Aldo Serenelli

4:00 - 4:05 PM **Discussion**

4:05 PM
