

Session Program

Sep 4 - 7, 2017

**Recent developments in neutrino physics and
astrophysics**

Session I

LNGS and GSSI (Assergi and L'Aquila, Italy)

Mon, September 4

10:20 AM

Session I

Session | **Location:** LNGS, Fermi Hall | **Convener:** Antonio Masiero (Padova University & INFN)

10:20 - 10:50 AM **Bruno Pontecorvo - The pioneer of neutrino oscillations**

Speaker

Samoil Bilenky

10:50 - 10:55 AM **Discussion**

10:55 - 11:35 AM

From the Solar neutrino problem to the oscillation discovery and beyond

Speaker

Yoichiro Suzuki

11:35 - 11:40 AM **Discussion**

11:40 AM - 12:10 PM **Coffee break**

12:10 - 12:40 PM **25 years of Borexino**

Speaker

Gianpaolo Bellini

12:40 - 12:45 PM **Discussion**

12:45 PM
