

# Recent developments in neutrino physics and astrophysics

## Tuesday, 5 September 2017

### Session VI (14:45 - 16:50)

-Conveners: Mikhail Skorokhvatov (Kurchatov Institute, Moscow, Russia)

time	[id] title	presenter
14:45	[17] Non-Standard Interactions in Borexino and Daya Bay	AGARWALLA, Sanjib Kumar
15:15	[65] Discussion	
15:20	[18] Prospects on the hierarchy determination	MEZZETTO, Mauro
16:00	[66] Discussion	
16:05	[19] Impact of cosmological observables on the neutrino physics	BATTYE, Richard
16:45	[64] Discussion
