

Recent developments in neutrino physics and astrophysics

Wednesday, 6 September 2017

Session VII (09:45 - 10:55)

-Conveners: Eugenio Coccia (Rector of GSSI, Italy)

time	[id] title	presenter
09:45	[21] Survey of the absolute neutrino mass measurements	VALERIUS, Kathrin
10:15	[55] Discussion	
10:20	[22] Low background methods for detection of solar neutrinos	CALAPRICE, Frank
10:50	[67] Discussion
