

# International Workshop on Ion Propulsion and Accelerator Industrial Application

## Thursday, 2 March 2017

### ion propulsion 1: . (09:00 - 10:45)

-Conveners: Francesco Taccogna

time	[id] title	presenter
09:00	[30] Welcome	Dr DE PASCALE, Olga
09:10	[16] ESA Perspectives on Electric Propulsion	Ms DANNENMAYER, Käthe
09:40	[12] Low Power Electric Propulsion Activities at Sitael	MISURI, Tommaso
10:10	[22] High Power Hall Thruster Design at SITAEL	Prof. ANDRENUCCI, Mariano

### ion propulsion 1 (11:10 - 12:40)

time	[id] title	presenter
11:10	[7] The Hall thruster technology: from the classical design to the wall-less concept.	Dr MAZOUFFRE, Stéphane
11:40	[14] Development of IPPLM's krypton HET	Dr KURZYNA, Jacek
12:10	[2] High thrust-over-power collisional Hall thruster	Prof. FRUCHTMAN, Amnon
