

3rd European Advanced Accelerator Concepts Workshop

Wednesday, September 27, 2017

Plenary 6 (11:00 AM - 12:30 PM)

time	[id] title	presenter
11:00 AM	[260] Foam-based, multi-layer targets for laser-driven ion acceleration	Ms FORMENTI, Arianna
11:30 AM	[271] Laser-driven charged particle beam structures in the relativistic transparency regime	Dr KING, Martin
12:00 PM	[290] Mitigation of the hose instability in plasma-wakefield accelerators	Dr MEHRLING, Timon
