

# LFC17: Old and New Strong Interactions from LHC to Future Colliders

## Tuesday, 12 September 2017

**Perturbative QCD (Chair: G. Ferrera) (09:30 - 14:30)**

time	[id] title	presenter
09:30	[17] Highlights on high pT measurements at the LHC	RIZZI, Andrea
10:00	[19] Jets cross sections in NNLO QCD in lepton and hadron collisions	SOMOGYI, Gabor
10:30	Coffee Break	
11:00	[18] New techniques for higher-order calculations in lepton and hadron collisions	SBORLINI, German
11:30	[26] Azimuthal asymmetries in QCD hard scattering: IR safe but divergent	GRAZZINI, Massimiliano
12:00	[22] Discussion
