

LFC17: Old and New Strong Interactions from LHC to Future Colliders

Thursday, 14 September 2017

g-2 (Chair: C.M. Carloni Calame) (09:30 - 12:00)

time	[id] title	presenter
09:30	[25] Past and future muon g-2 experiments	DRIUTTI, Anna
10:00	[24] Muon-electron scattering: Measuring the leading hadronic contribution to the muon g-2	PASSERA, Massimo
10:30	[35] The hadronic vacuum polarisation contribution to the muon g-2	KESHAVARZI, Alex
11:00	[52] Discussion	
11:30	Coffee Break
