

ECLLOUD'18**Monday, 4 June 2018****ECE on Beam Dynamics: observations and prediction (II) (10:50 - 13:00)****-Conveners: Giovanni Iadarola**

time	[id] title	presenter
10:50	[4] Measurements and simulations of electron-cloud-induced tune shifts and emittance growth at CesrTA	Dr POPROCKI, Stephen
11:20	[5] RHIC instabilities at transition crossing (su)	GU, Xiaofeng
11:50	[6] Electron cloud challenges for future circular machines	METHER, Lotta
12:20	[7] Investigating the role of photoemission in the e-cloud formation at the LHC	Mr DIJKSTAL, Philipp
12:40	[8] E-cloud studies for FCC-hh	Ms ASTAPOVYCH, Daria
