Electron and photon interaction with low temperature surfaces (17:10 - 18:40)

-Conveners: Lotta Mether

time	[id] title	presenter
17:10	[37] SR interaction with cryosorbed layers	Mr DUPUY, Rémi
17:40	[38] SEY and other material properties studies at cryogenic temperatures	SPALLINO, Luisa
18:00	[40] Characterisation of technical surfaces at cryogenic temperature under electron bombardment	Mr HENRIST, Bernard
18:20	[39] Coldex: A tool to study cold surfaces in Accelerators	Dr BAGLIN, Vincent
