

E-CLOUD'18

Wednesday, 6 June 2018

Simulations and diagnostics (I) (09:00 - 10:30)

-Conveners: James Crittenden

time	[id] title	presenter
09:00	[42] Progress with 3D modelling of beam dynamics in presence of electron cloud	VAY, Jean-Luc
09:30	[43] Post-ecloud regime, challenges for multi-species simulations in beam dynamics	METHER, Lotta
10:00	[44] A global view on electron cloud instability simulations in the LHC and HL-LHC	Ms ROMANO, Annalisa
