

Project Driven Modelling and Codes Development '17

Physics and Astronomy
Department

18 / 05 / 2017 - Aula Magna

DIPARTIMENTO DI
FISICA E ASTRONOMIA

<http://www.physycom.unibo.it/pdmcd17>

In this workshop, leading experts will discuss the state-of-the-art in experiments and numerical simulations related to laser-driven and beam-driven plasma techniques, which are behind future particle accelerators. Necessary developments to tackle future Italian and European experiments will also be discussed.

Invited speakers

Morning session - 9.30/13.00

D. Giove	INFN-MI
L. A. Gizzi	CNR-INO (PI)
G. Turchetti	UNIBO
P. Londrillo	INAF
G. Fiore	UNINA
P. Tomassini	CNR-INO (PI)

Afternoon session - 14.30/18.00

A. Marocchino	INFN-LNF
A. Formenti	POLIMI
D. Terzani	UNINA
F. Mira	Sapienza (RO)
D. Palla	CNR-INO (PI)

Organizing Committee

Tiziano Rovelli	UNIBO-INFN (BO)
Stefano Sinigardi	UNIBO-INFN (BO)

Students are welcome !
