

# Secondo incontro sulla fisica con ioni pesanti a LHC

## Tuesday, 10 October 2017

### Hard observables (09:00 - 10:30)

-Conveners: **Maria Paola Lombardo; Andrea Rossi; Giuseppe Eugenio Bruno**

| time  | [id] title                                                        | presenter                                                    |
|-------|-------------------------------------------------------------------|--------------------------------------------------------------|
| 09:00 | [1] The hard probes of heavy-ion collisions and the jet quenching | CUNQUEIRO MENDEZ, Leticia<br>Dr CUNQUEIRO MENDEZ,<br>Leticia |
| 09:30 | [2] Open heavy flavours: the experimental view                    | BRUNA, Elena                                                 |
| 09:50 | [3] Open quantum system approach to heavy quarks                  | Dr DE BONI, Davide                                           |
| 10:10 | [4] Correlations and heavy-flavour jets                           | Dr COLAMARIA, Fabio                                          |
