

# GALILEO days 2017

## Wednesday, 20 September 2017

### GALILEO complementary detectors - Aula Ceolin (13:55 - 17:15)

-Conveners: Daniele Mengoni

| time  | [id] title                           | presenter          |
|-------|--------------------------------------|--------------------|
| 14:15 | [22] Charge particle detectors       | TESTOV, Dmitry     |
| 14:35 | [23] Neutron detectors               | JAWORSKI, Grzegorz |
| 14:55 | [24] Heavy ion detectors             | ROCCHINI, Marco    |
| 15:15 | [26] High efficiency gamma detectors | CERUTI, Simone     |
| 15:35 | Coffee break2                        |                    |
| 15:55 | [25] Electron spectrometer           | ROCCHINI, Marco    |
| 16:15 | [27] New projects and ideas          |                    |
