

QCD@Work - International Workshop on QCD Theory and Experiment

Monday, 25 June 2018

Session 4 - Ex Ospedale di San Rocco (17:00 - 18:00)

-Conveners: Pietro Santorelli

time	[id] title	presenter
17:00	[78] Non-abelian anomalies and hadronic fluids	Dr MEGIAS, Eugenio
17:20	[79] Holographic description of total hadronic cross sections at high energies	Dr WATANABE, Akira
17:40	[71] Prospects for Higgs Boson Measurements and Beyond-Standard-Model Physics at the High-Luminosity LHC with CMS	Dr VENDITTI, Rosamaria
