

LNL USER COMMUNITY ANNUAL MEETING

Tuesday, 21 November 2017 - Tuesday, 21 November 2017

INFN Laboratori Nazionali di Legnaro

Scientific Programme

The Annual Meeting of the LNL Users Community is intended to gather the entire community of LNL Users to discuss the progress of different experimental activities, recent achievements, new setup installations and possible issues connected to setup operations. It is, at the same time, a place to discuss the status of the LNL facilities and accelerators and the future perspectives. This year, particular attention will be given to the status of the SPES installation.
