

# Workshop Quantum Foundations: New frontiers in testing quantum mechanics from underground to the space

## Wednesday, 29 November 2017

**Chair: B. Hiesmayr - Aula Conversi (14:45 - 17:45)**

time	[id] title	presenter
14:45	[14] Non-locality in background-base pre-quantum theories	DONADI, Sandro
15:15	[15] Testing Dynamical Reduction Models at the Gran Sasso Underground Laboratory	Mr PISCICCHIA, Kristian
15:45	[16] Quantum Violation of an Instrumental Test	Dr SCIARRINO, FABIO
16:15	[17] Non-perturbative treatment of non-Markovian dynamics of open quantum systems	SMIRNE, Andrea
