Status and next steps

- The website is working (deliverable ok)
- Some users have been created, I will add the remaining
- Minor graphical touch-ups
- Material can be added in a (hopefully) easy way
- Some technical plugins can be added
- If we want to have social accouts (outreach WP), we can link to the website
- Todo: write a short tutorial for those not familiar with wordpress

● ***Just start using the website, and comments/suggestions are welcome!***
