
**SCIENCE JOURNALISM/
COMMUNICATION IN INDIA**

Historical Context

- Can be traced back to ancient times
- World's first scientific symposium -700 BC
- Hymns and verses

Discovery of a Sub-Saturn like Planet around a Sun-like star

Problems

- Fake news
- Fewer science outlets
- Language barrier
- Absence of tools

This is the guy who added his infected blood to Cadbury products. For the next few weeks do not eat any products from Cadbury, as a worker from the company has added his blood contaminated with HIV (AIDS). It was shown yesterday on BBC News. Please forward this message to people who you care.

**FAKE
NEWS**

THANK YOU.
