

Ricap18 7th Roma International Conference on Astroparticle Physics

Wednesday, 5 September 2018

direct search for DM and underground experiments - Room B (16:40 - 18:40)

-Conveners: Mario De Vincenzi

time	[id] title	presenter
16:40	[184] Xenon-1T	Dr BUDNIK, Ran
17:00	[190] Direct search for light dark matter with the CRESST-III experiment	GORLA, Paolo
17:20	[194] Directional dark matter search with nuclear emulsion technology	DE LELLIS, Giovanni
17:40	[173] Underground Nuclear Astrophysics: present and Future of the LUNA experiment	GUSTAVINO, Carlo
18:00	[207] The Recoil Directionality (ReD) experiment	Dr SANFILIPPO, Simone
