

ICFDT5 - 5th International Conference on Frontier in Diagnostic Technologies

Wednesday 03 October 2018

Spectroscopy - Bruno Touschek Auditorium (14:30-15:15)

-Conveners: Enrica Chiadroni

time	[id] title	presenter
14:30	[43] Nanoparticle Enhanced Laser Induced Breakdown for chemical analysis of trace elements	Prof. DE GIACOMO, Alessandro

Friday 05 October 2018

Spectroscopy - Bruno Touschek Auditorium (09:00-09:45)

-Conveners: Michael WALSH

time [id] title

presenter

09:00	[44] Laser Induced Fluorescence in a collisional environment: a molecular probe for rapidly changing media	Dr DILECCE, Giorgio
