

Session Program

November 30, 2009 to December 4, 2009

I Seminario Nazionale Rivelatori Innovativi

Particle Identification by means of Channeling Radiation in High Collimated Beams

INFN - Laboratori Nazionali di Frascati, Nuovo Centro Servizi
Via Enrico Fermi 40 I - 00044 Frascati (Rome)

Fri, December 4

12:30 PM

1:20 PM

Particle Identification by means of Channeling Radiation in High Collimated Beams

Session |

Location: INFN - Laboratori Nazionali di Frascati, Nuovo Centro Servizi, Via Enrico Fermi 40 I - 00044 Frascati (Rome)
