

# Is quantum theory exact? The quest for the spin-statistics connection violation and related items

## Wednesday, 4 July 2018

**Chair: Kristian Piscicchia - Aula Salvini (15:00 - 18:00)**

time	[id] title	presenter
15:00	[69] Biophotons: general aspects and new experimental data	BENFATTO, Maurizio
15:30	[70] (Bound) Entanglement Detection with Mutually Unbiased Bases	Ms KILIAN, Eva
16:00	Coffee Break	
16:30	[71] Quantum Communications and Fundamental Physics in Space	Prof. VALLONE, Giuseppe
17:00	[72] Quantised Spheres: a quantisation of Maxwell's wave	REUILLARD, Béatrice
17:30	[73] The appearance of an energy gap in graphene and the ordering of atomic impurities	BELLUCCI, Stefano
